Property Acquisition & Disposal Services

Unlocking the pathway to the best acquisition and disposal advice when it comes to buying or selling property assets can have a direct effect on the outcome of your experience.

TPG's customised **Acquisition and Disposal Services** unlocks these key triggers to making a sound decision on all matters relating to property acquisitions and disposals.

Working with your organisation's strategic direction and goals, our results-driven approach specifically address:

- ◆ What property to buy and/or sell.
- ◆ When to buy and/or sell property.
- ◆ How to buy and sell property.
- ◆ With whom to entrust this important process.

The benefits of **TPG Acquisition and Disposal Services** are that you have a trusted advisor to guide and support you through the process to ensure outcomes are maximised at all times.

As a team of licensed estate agent professionals with extensive industry knowledge and professional skills, we are acutely aware of market movements and forces.

We possess extensive industry experience in the following market sectors:

- ◆ Residential
- ◆ Commercial & Industrial
- ◆ Rural & Regional
- ◆ Agribusiness

The benefits are that you have a trusted advisor to guide and support you through the process to ensure outcomes are maximised at all times. Our team is able to support your organisation where our sound market knowledge and ability to act with propriety is assured.

Our staff has long standing connections to major metropolitan, regional and rural networks and is professionally affiliated with property industry membership bodies that include the Real Estate Institute of Victoria (REIV).
